Students in their last term of enrollment
Federal regulations require that loans taken during the last term of enrollment must be adjusted based on your actual enrollment for that term.

Returning students – Promissory Note
If you requested a loan last year, it would be helpful to use the same guarantee agency you used in the past. If you have questions regarding the guarantee agency you used, please contact the Financial Aid Office.

If you use a different guarantee agency or lender than you have used in the past, you MUST do a new Promissory Note with the new guarantee agency or your loan WILL NOT be processed.
